PRESS KIT

DJ KILLERZ

Originally from Martinique, **DJ KillerZ** is now recognised as one of the most influential Antillean DJs of his generation. A true showman with an eclectic style, he stands out for his ability to connect instantly with every audience, spreading joy, love and good vibes through his sets. A philosophy that earned him the nickname "*bad vibes killer*".

Officially launched into deejaying in the mid-2000s, he became a must in the Antilles from 2009, before taking his sound to Europe and abroad. From Paris to Budapest, via London, Montreal, New York, Barcelona or Saint-Barthélemy, he plays one prestigious stage, club, festival and event after another.

Kalash's official DJ since 2016, he joins him on his biggest stages: **the Olympia in 2017, Bercy in 2022, Stade Pierre-Aliker in Dillon in August 2024 in front of more than 23,000 people**, then the **Full Joy Tour 2025**, including **the Accor Arena, the Olympia and La Cigale**. On 12 June 2026, at Paris La Défense Arena, he also opens for Kalash and helps design the show: co-writing, creating the tracklist, producing the intro, the remixes and the unreleased versions of the concert.

He has opened for and/or played alongside internationally renowned artists such as **Vybz Kartel, Gims, Dadju, Shenseea, Gazo, Konshens, Aidonia, Macka Diamond, Ne-Yo, Koffee, La Fouine, Franglish, Aya Nakamura and Niska**.

As a producer, DJ KillerZ also made his mark with his hit **"Comptine Pour Pussy"**, which counts more than **5 million views** on YouTube and **2 million streams** on Spotify, confirming his talent for creating viral, unifying tracks.

Voted **Best Martinican DJ** two years in a row, he has built a career on hard work, passion and reinvention. After two solo shows at the Hippodrome de Vincennes in 2022 and 2023 and his Golden Karibbean festival, which brought together more than 2,000 people, he dreams up in **2026 the "Caribbean World Show by DJ KillerZ"** for the Yardland Festival. Produced by Live Nation, this main-stage show is entirely conceived by DJ KillerZ, from the storytelling to the choice of guest artists. His goal remains intact: to make Martinique shine and to share his passion for music with the whole world.
